## 2017-2018 HUD PROJECT SCORING SHEET MACOMB COUNTY (MI-503) CONTINUUM OF CARE – New Projects

## **Instructions:**

After reviewing sections of the application, give a score. A range of suggested points is given for each component. If you choose, you may award ½ points or anywhere along the scale for a total of 140 possible points.

Pro	ject Name:	Reviewer:		
		Points Possible	Scorin	ıg
#1	Applicant Experience & Capacity	Total Possible Points:	10	
A	Agency demonstrates past experience and success utilizing federal funds including HUD grants and performing activities in proposed application such as satisfactorily drawdowns, timely reimbursement, timely resolution of monitoring findings, and timely submission of required reporting on existing grants.	Description clearly describes applicant's experience providing proposed services, roles, and past successes in keeping people stably housed. No outstanding concerns with existing grants.  If most of above items are	2-3	
		fully met.  > If few or none of the above items are met.	0-1	
В	Provides concrete examples that illustrates working with and addressing the	> Yes	2	
	target population's identified housing and supportive service needs.	> No	0	
С	Describes the experience of the applicant in leveraging other Federal, State,	> Yes	2	
	local, and private sector funds.	> No	0	
D	Describes the basic organization and management structure of the applicant.	➤ Yes ➤ No	2 0	
#2	Project Description and Housing First	Total Possible Points	40	
#2 A	<ul> <li>Project Description and Housing First</li> <li>Provides a clear description of the project that addresses the entire scope, including the target population(s) to be served, site description and project schedule.</li> <li>Project plan for addressing identified needs/issues of the target population(s); projected outcome(s); coordination with other source(s)/partner(s); capacity for assessing need.</li> <li>Demonstrates project will be ready to begin operations within 6 months of receiving HUD award. If project is PSH Project Based, applicant has 9 months from date of grant agreement to begin construction and 24 months from date of grant agreement to complete construction. Operation of the project must begin within 3 months of completion of construction.</li> </ul>	Total Possible Points:  Each sub-part is described in a clear, concise and comprehensive manner.  Entire scope of project is addressed and responses are consistent.  Describes how project will be ready within 6 months of receiving HUD award.  Responses could have been clearer, parts not fully addressed, parts have contradictory responses, questionable readiness in 6 months.  Response is lacking in clarity and description, no consistency, serious doubts on readiness within 6 months.	9-15 2-8 0-1
